

NASA PERMISSION TO PUBLISH
(non-NASA authors)

Conference: 2010 THERMAL AND FLUIDS ANALYSIS WORKSHOP

Title of Work:

Name of Author (please print):

For joint works having both NASA and non-NASA authors, a non-NASA author is required to sign this Permission to Publish Form. Only one signature is required for joint works and guarantees that all non-NASA authors agree to the terms set forth herein. As an author of the above-described work, you must acknowledge each of the following:

I. Clearance

II. Non-infringement Statement

III. Permission to Publish

I. CLEARANCE

This work is UNCLASSIFIED and has been cleared and approved by the appropriate company(ies) and/or government agency(ies) for broad public release and inclusion in the conference proceedings. Government review, if required, is the responsibility of the author.

II. NON-INFRINGEMENT STATEMENT

Please make clear the copyright status of this work by signing the following affidavit assuring NASA that the work contains no copyright-infringing material:

This material represents an original work by the author(s). No portion of the material is covered by a prior copyright; or for any portion copyrighted, the author has obtained permission for its use and all such permissions are in writing and attached to this form. Further, this work does not infringe any trademark, patent, trade secret, or other intellectual property rights of any person, nor does it contain any material that is defamatory.
